

Prevention of Shaken Baby Syndrome and Abusive Head Trauma SAMPLE Policy

Belief Statement

We, _____ (name of facility), believe that preventing, recognizing, responding to, and reporting shaken baby syndrome and abusive head trauma (SBS/AHT) is an important function of keeping children safe, protecting their healthy development, providing quality child care, and educating families.

Background

SBS/AHT is the name given to a form of physical child abuse that occurs when an infant or small child is violently shaken and/or there is trauma to the head. Shaking may last only a few seconds but can result in severe injury or even death¹. According to North Carolina Child Care Rule (child care centers, 10A NCAC 09 .0608, family child care homes, 10A NCAC 09 .1726), each child care facility licensed to care for children up to five years of age shall develop and adopt a policy to prevent SBS/AHT².

Procedure/Practice

Recognizing:

- Children are observed for signs of abusive head trauma including irritability and/or high pitched crying, difficulty staying awake/lethargy or loss of consciousness, difficulty breathing, inability to lift the head, seizures, lack of appetite, vomiting, bruises, poor feeding/sucking, no smiling or vocalization, inability of the eyes to track and/or decreased muscle tone. Bruises may be found on the upper arms, rib cage, or head resulting from gripping or from hitting the head.

Responding to:

- If SBS/ABT is suspected, staff will³:
 - Call 911 immediately upon suspecting SBS/AHT and inform the director.
 - Call the parents/guardians.
 - If the child has stopped breathing, trained staff will begin pediatric CPR⁴.

Reporting:

- Instances of suspected child maltreatment in child care are reported to Division of Child Development and Early Education (DCDEE) by calling 1-800-859-0829 or by emailing webmasterdcd@dhhs.nc.gov.
- Instances of suspected child maltreatment in the home are reported to the county Department of Social Services. Phone number: _____

Prevention strategies to assist staff* in coping with a crying, fussing, or distraught child

Staff first determine if the child has any physical needs such as being hungry, tired, sick, or in need of a diaper change.

If no physical need is identified, staff will attempt one or more of the following strategies⁵:

- Rock the child, hold the child close, or walk with the child.
- Stand up, hold the child close, and repeatedly bend knees.
- Sing or talk to the child in a soothing voice.
- Gently rub or stroke the child's back, chest, or tummy.
- Offer a pacifier or try to distract the child with a rattle or toy.
- Take the child for a ride in a stroller.
- Turn on music or white noise.
- Other _____
- Other _____

In addition, the facility:

- Allows for staff who feel they may lose control to have a short, but relatively immediate break away from the children⁶.
- Provides support when parents/guardians are trying to calm a crying child and encourage parents to take a calming break if needed.
- Other _____

Application

This policy applies to children up to five years of age and their families, operators, early educators, substitute providers, and uncompensated providers.

Communication

Staff*

- Within 30 days of adopting this policy, the child care facility shall review the policy with all staff who provide care for children up to five years of age.
- All current staff members and newly hired staff will be trained in SBS/AHT before providing care for children up to five years of age.
- Staff will sign an acknowledgement form that includes the individual's name, the date the center's policy was given and explained to the individual, the individual's signature, and the date the individual signed the acknowledgment
- The child care facility shall keep the **SBS/AHT staff acknowledgement form** in the staff member's file.

Parents/Guardians

- Within 30 days of adopting this policy, the child care facility shall review the policy with parents/guardians of currently enrolled children up to five years of age.
- A copy of the policy will be given and explained to the parents/guardians of newly enrolled children up to five years of age on or before the first day the child receives care at the facility.
- Parents/guardians will sign an acknowledgement form that includes the child's name, date the child first attended the facility, date the operator's policy was given and explained to the parent, parent's name, parent's signature, and the date the parent signed the acknowledgement
- The child care facility shall keep the **SBS/AHT parent acknowledgement form** in the child's file.

* For purposes of this policy, "staff" includes the operator and other administration staff who may be counted in ratio, additional caregivers, substitute providers, and uncompensated providers.
